

Saskatoon Kart Racers goal is to provide the safest and most enjoyable kart racing experience possible for all participants and visitors. These rules apply to all SKR members, visitors, vendors, dealers, and spectators. To this end, we ask that you adhere to the following safety rules.

1. **ABSOLUTELY NO SOURCES OF IGNITION** (lighters, matches, smoking materials, e-cigarettes, hot work such as grinding or welding) are permitted anywhere on Martensville Speedway grounds. Martensville has a no smoking by-law in public recreation facilities. Any violation of this rule may result in the participant being asked to leave the facility.
2. All racers are to have a working ABC or BC type **fire extinguisher** readily available in their paddock area. Checks will be conducted by SKR executive members prior to the start of each race day. SKR fire extinguishers are located at the entrances to the pit area, scale shed, clubhouse, marshal towers, timing tower and on the ATV. If you do not have an extinguisher, then you will be required to obtain one.
3. All racers are to have a **basic first aid kit** for their own use. SKR first aid kits including eye wash bottles will be located by the pit board and are available for use by any person on facility grounds. A wall-mounted eyewash station is in the clubhouse. Please report to an SKR volunteer if you use any first aid supplies or if an incident occurs. ASN reporting procedures apply.
4. **Refueling in the pit lane is prohibited** during any track session. Karts are to be refueled in the paddock area only, preferably on the concrete pads. Karts may not be refueled on the Grid or Pre-Grid. During any refueling, the engine must be stopped, and the driver must vacate the kart. (ASN Reg. 13.6)
5. Fuel is to be **stored in approved containers** only. **No decanting of fuel** is permitted in enclosed trailers, garages, c-cans, or buildings. **Oil disposal** is not allowed on SKR grounds by any method. Use the available **spill kit** if you have a hazardous material spill and inform SKR.
6. In the event of an **emergency**, participants will take the following actions as appropriate:
  - a. **Lightning or hail** – seek refuge in a building or vehicle
  - b. **High winds or tornado** – seek refuge in the nearest available permanent structure (c-cans are not considered safe in this circumstance)
  - c. **Threats of violence, unruly behaviour** – seek a safe refuge, do not intervene unless you feel it is necessary. Report any incidents to an SKR executive member.
  - d. **Major medical emergency** – First aid trained persons are encouraged to assist as necessary. All other participants should return to their paddock area and refrain from congregating at the scene or contacting EMS unless asked to do so.

- e. **Building Fire or Explosion** – Rescue anyone in immediate danger, inform surrounding persons and SKR executive member of the situation, confine the fire if possible (close doors if in a trailer or structure), evacuate to a safe area.
  - f. If the entire facility is to be **evacuated**, an air horn will sound in **5 long blasts**. Persons are then asked to leave the facility in a calm and orderly manner.
7. If an **incident** occurs, SKR executive members will take charge of the situation and call local EMS, fire services, or police authorities as required. Please report any hazards to an SKR executive member.
8. All participants and visitors will conduct themselves according to the **SKR Code of Conduct**. Violations of these rules may result in penalties or expulsion from the facility. Please report any instances of unruly or inappropriate behaviour to an SKR executive member.
9. All racers will conduct themselves in accordance with ASN regulations and the SKR Code of Conduct with respect to on-track behaviour and racing activities. **Excessive speed** in the approach to, or in the pit area is **strictly prohibited** and violation may result in penalties, fines, or revocation of racing privileges for the day. Racer on-track conduct is under the purview of the race director.
10. Consumption of **alcohol, cannabis, or illicit drugs** is not permitted anywhere on the facility grounds prior to or during a racing event. Violation of this rule may result in expulsion from the facility and forfeit of race registration fees. Participants suspected of being intoxicated or otherwise affected will not be permitted to engage in racing activities. Any consumption of alcohol or cannabis after racing events will conform with City of Martensville by-laws and Provincial regulations.
11. **During race events, ONLY Authorized Persons** wearing a **wristband** are permitted in the pit lane and racetrack area. All persons venturing onto the racetrack and infield are to be wearing high visibility clothing or vest (available at emergency cart). A parent of a junior racer is expected to be attending in the pit area and be available for on track assistance as required.
12. All **minors shall always be supervised** while on the facility premises. Bicycle riding in the pit areas is discouraged.
13. All **vehicles** will travel at slow speed (5 kph or less) while on the property.
14. **Pets** will always be kept on leash and under control. Any pet refuse will be cleaned up immediately by the owner. Ensure that your pet has water and shade available on hot days.

Saskatoon Kart Racers thanks you for your cooperation. If there are any questions, please ask a SKR executive member. **REMEMBER, SAFE KARTING IS FUN KARTING.**
